LEADERSHIP SPEAKER

*Leading Change with Ingagemment*

THE KEY TO A SUCCESSFUL ORGANIZATION IS LEVERAGING **EVERY** INDIVIDUAL'S STRENGTHS.

## Evan Hackel, Experienced Business Leader

Author, entrepreneur, and instrumental in launching three organizations and four business divisions with over \$2 Billion in sales, Evan Hackel, the creator of Ingaged Leadership, is a thought leader in the fields of leadership and success.

Evan's focus is creating a culture of partnership with a common purpose, in order to help employees dramatically improve their performance. He has helped hundreds of organizations make major system-wide changes and build "ingagemment," teamwork, and focused growth, resulting in increased profitability and achieved success.

## Evan's Most-requested Topics Include:

### INGAGING LEADERSHIP

Personal and organizational success is about involvement. Learn how to transform companies, inspire higher performance, and create a positive workplace through shared vision.

### SEEKING EXCELLENCE

Recognizing excellence is a never-ending journey, not a destination, sets business leaders ahead of the competition and market trends. Excitement for the future and a culture that is committed to seeking excellence continuously is the hallmark of the organization that is leading change, instead of reacting to it.

### BETTER TOGETHER

An organization's success depends on the synergy among its team. Leaders who know how to create this from inception, are the leaders who thrive in their business. Open a new path for your organization with an exciting, interactive game and hands-on experiences demonstrating how teams work energetically together.

### ATTITUDE IS EVERYTHING

Attitude isn't something leaders have, it is something they embody. What better way to understand this than this highly interactive, live demonstration of the force that positive thinking plays in achieving extraordinary results? This keynote is a revolutionary experience, both for participants and for the organizations they serve.
